Section 2. The franchise to install, maintain and use in the streets of Town all pipes and appurtenances for transmitting and distributing gas to the public for any and all purposes is hereby granted to Grantee.

Section 3. Grantee shall relocate, without expense to Town, any pipes and appurtenances installed, maintained or used under this franchise, if and when made necessary by any lawful change of grade, alignment or width of any streets by Town, including the construction of any subway or viaduct, provided, however, that the cost of any such relocation made necessary by the construction or any lawful change of grade, alignment or width of any freeway constructed by the State of California shall be divided equally between Grantee and the State of California.

Section 4. Said franchise shall be indeterminate, that is to say, said franchise shall endure in full force and effect until the same shall, with the consent of the Public Utilities Commission of the State of California, be voluntarily surrendered or abandoned by Grantee, or until the State or some municipal or public corporation thereunto duly authorized by law shall purchase by voluntary agreement or shall condemn and take under the power of eminent domain, all property actually used and useful in the exercise of said franchise and situate in the territorial limits of the State, municipal or public corporation purchasing or condemning such property, or until said franchise shall be forfeited for noncompliance with its terms by Grantee.

Any neglect, omission or refusal by Grantee to file such verified statement, or to pay said percentage at the time and in the manner specified shall be grounds for the declaration of a forfeiture of this franchise and of all rights of Grantee hereunder.

Section 7. Said franchise is granted under the Franchise Act of 1937.

Section 8. This ordinance shall become effective thirty (30) days after its final passage unless suspended by a referendum petition filed as provided by law.
